Subject: Cheshire Academy yesterday

Hi Coach,

I am a faculty member at Cheshire Academy and I attended your presentation yesterday – it was excellent. You have a great style and manner that make the information enjoyable to hear and easy to understand.

...Your presentation... was incredibly helpful to me as the boys soccer coach here...

Thanks again for the information and for the power point and I hope you all (at Sacred Heart) earn great success this spring.

Best,

Owen Tinti-Kane
