To Whom It Concerns

I am pleased to be able to recommend Wayne Mazzoni to you as a speaker on the topic of College Athletic Recruiting and Scholarships. Wayne presented this program at Guilford High School on October 3, 2000 for approximately one-hundred parents and athletes. Everyone was very impressed.

The seminar approach was very well prepared with overhead slides which supported the information that was presented. The presentation was simple but thorough and broken down into a few key aspects that everyone could understand.

The college search and recruiting process can be overwhelming to parents and students. Wayne's program made the process seem manageable and could be understood even by those unfamiliar with college athletics.

Parents, athletes, coaches and guidance counselors could benefit by attending Wayne's program I encourage you to consider it.

Sincerely,

Chip Dorwin
Athletic Director
