Wayne,

You were excellent last night. I was thinking of a way that I could have you speak at an assembly for all athletes involved. I am trying to work out the logistics so we can book you again next year and have the kids see you first and maybe the parents at night. This way you can still sneak in your round of golf.

Thank you again and I will highly recommend you to all the AD's in Suffolk County.

Sincerely,
Ken Ferrazzi
