Dear Wayne:

Thank you for conducting your Athletic Recruiting and Scholarship workshop. Your presentation was outstanding. I've been an athlete, coach, and athletic administrator for over 30 years, and I learned a lot. I was disappointed more of our parents didn't have the opportunity to hear your presentation.

I also hope to convince the White Plains district to invite you to present. Best of luck!

Sincerely,

Ken Edwards, District Director
Physical Education, Health & Athletics
