Dear Mr. Mazzoni,

We would like to thank you for your presentation on college athletics and the recruiting process at Roslyn High School on March 13, 2006.

We found your presentation to be informative, engrossing and more than helpful to our students and their parents. Your ability to stage the challenging recruiting process into attainable steps for our athletes and their families was convincing and honest. You encouraged our students and their families to be realistic about their talents and desire to play, yet encouraged their interest and the benefits of extending their athletic careers. Kudos to you for offering this rare balance!

We enjoyed having you, Wayne, and look forward to having you at Roslyn again.

Sincerely,

Mira S. Martincich, Ed. D.
Director of Physical Education, Athletics and Recreation
