Dear Wayne:

On behalf of the Athletic and Guidance Departments at Riverhead High School I want to thank you for your informative and highly professional presentation last evening.

College athletics and recruiting can be an intimidating experience, even for the most committed counselor, teacher, parent, or coach. Your presentation enabled all of us to proceed in a manner that is balanced, knowledgeable, and organized. I heard from a number of parents and some coaches who were most pleased with your presentation.

Ultimately, our students will benefit from what you did last night. I thoroughly enjoyed hearing your presentation and will update our counseling staff regarding information you presented.

Once again, I thank you for your help and guidance.

Yours truly,

Joseph W. Connolly, Ph.D.
Guidance Director RHS
