Dear Wayne,

I would like to take this opportunity to thank you for the superb job you did last Monday evening at the Farmingdale High School athletic recruitment process workshop. I have received at least a dozen calls from parents commending me on allowing you to make this presentation.

Your use of inspiration, motivation and humor while presenting **all** the facts in the college recruiting process was impressive. Your presentation should be mandatory of all high school athletes and their parents.

I look forward to a long and productive workshop with you and your company.

Yours in Sports,

Tom Howard, Director  
Physical Education & Athletics
