Wayne,

I just want to thank you for last night's parent presentation. It was evident that you are passionate about the recruiting process and your energy was well received by all who attended. Your sincerity regarding the possibility of their child playing at the next level was right on. I believe your presentation was an "eye opener" for some.

I hope our paths may meet again. If not, I would like for you to return to Locust Valley next year.

Thanks Wayne!

Mark

Thanks for the GREAT job you did. It was a pleasure and I'm receiving excellent feedback this morning from my guidance director and HS principal.
